Shalom Vintage Family

Greetings from Jerusalem! As many of you know, Belinda and I were invited to visit the Holy Land, and I can honestly say it is an experience that has marked me! Israel is beautiful. The land is diverse and alive. The people are gracious and there is a tangible sense of the Hand of God at work in this place. It is also a city of great unrest. As believers, grafted in to the plan of God, we have an invitation in Psalm 122:6, "*Pray for peace in Jerusalem. May all who love this city prosper.*" If I am honest, that verse has always been a struggle for me, and I have never understood how to put that into authentic practice. It is not that I don't know how to pray, it is just that I did not understand it.

Last night, our group pushed pause on the travel last night and posted up in a room at the hotel to worship and pray. It was very much like our Wednesday gatherings at Vintage...so I felt very at home : )

It was an amazing time, and as we worshipped, I could not stop weeping. The Lord was doing a deep work in me and I left that encounter with an undeniable sense that the heart of God is very deeply connected to this city, and I must move into the faithfulness of this prayer regularly. So, I am sharing with you what Jesus is sharing with me. I am calling us to begin to add to our regular prayers this prayer from Psalm 122:6 to, "*pray for peace in Jerusalem.*"

I love you. I miss our gatherings, giving all of you a hug, and worshiping Jesus together. He is doing something unique in our day and in our time and we are incredibly privileged to be part of it. We can't wait to be back!

Much grace,

Pastor Greg
