### Vintage Family Track

Joining a church is like belonging to a family, where we all have a role and a responsibility. Our goal is to help you connect into the Vintage family and find a place to make a difference. Below are our three classes to help you get connected at Vintage. We offer the Vintage Family Track each month, if these dates do not work for you we will hold Belong, Discover, and Connect on the first three Sundays of the month at the same times. We have already held our Belong and Discover class for this month, join us next month to start the Vintage Family Track.
